RE: Approval of Amendment to include Pittsfield in Solid Waste Implementation Plan (SWIP)

Dear Mark,

Rutland County Solid Waste District's Solid Waste Implementation Plan amended to include Pittsfield in the District and adopted by the RCSWD Board on March 17, 2021 is approved. The Agency finds the SWIP conforms to the State of Vermont Materials Management Plan adopted on November 19, 2019 and the requirements of 10 V.S.A Section 6604(a)(1) and 24 V.S.A. Section 2202a(c)(2).

If you have any questions regarding the implementation of this approved SWIP, please contact Anne Bijur at anne.bijur@vermont.gov or 802-522-5783

Thank you for your work to reduce the volume and toxicity of Vermont's waste as well as the State's other waste management priorities.

Sincerely,

Chuck Schwer
Director
Waste Management and Prevention Division
